

Hometown Heating Comfort Club

Our second tier maintenance plan is the Hometown Heating “Comfort Club” option. This plan offers much more than just the basic annual maintenance. It comes with a list of benefits that can save you a lot in several ways, as well as give you greater peace of mind.

Here are the extra benefits of the Comfort Club Plan:

- No diagnostic charges.
- 24-hour phone support with a licensed technician.
- 25% off any non-warranty parts (excluding heat exchangers, thermostats, and compressors).
- No overtime after hour charges... regular rates will apply.

You can also receive the following Comfort Club Discounts:

- 10% off two items.
- 20% off three items.
- 25% off four or more items.

How do I set up my appointments?

A Hometown Heating office administrator will contact you annually (or semi-annually, depending on what you're covering) and set up the maintenance for you. We make sure to take complete care of your system and not leave you with anything to worry about! If you experience an issue with your system, just call us! We'll setup a licensed technician to have a look immediately!

The Comfort Club is a great plan to give you some extra coverage on your system and greater piece of mind! Contact us today at 613 – 925 – 1039 to join the club!
